

Community Action Partnership of Suburban Hennepin
in collaboration with
Volunteer Lawyers Network
now offer
Legal Services Clinics in *suburban* Hennepin County

Community Action Partnership of Suburban Hennepin (CAPSH) will be holding monthly Legal Services Clinics at locations throughout suburban Hennepin County. The Clinics will provide low-income clients the opportunity to speak with a volunteer attorney about legal questions and obtain information about going to court.

CAPSH Foreclosure Prevention Specialists will also be available at each clinic to address foreclosure specific questions.

Walk-ins welcome; we recommend you call CAPSH to set up an appointment, so we have an attorney available to answer your questions.
