*IN RE BROILER CHICKEN ANTITRUST  
LITIGATION*

This Document Relates To:  
Direct Purchaser Actions

Case No. 1:16-cv-08637

Hon. Thomas M. Durkin

Magistrate Judge Jeffrey T. Gilbert

**ORDER GRANTING DIRECT PURCHASER PLAINTIFFS' MOTION TO APPROVE  
A PLAN OF NOTICE OF SETTLEMENT WITH DEFENDANT FIELDALE FARMS  
CORPORATION**

This Court having reviewed and considered Direct Purchaser Plaintiffs' Motion to Approve a Plan of Notice of Settlement With Defendant Fieldale Farms Corporation ("Motion") and finding good cause hereby grants the motion as set forth below.

**FINDINGS:**

1. The Court having previously entered an Order Preliminarily Approving Proposed Settlement Between Direct Purchaser Plaintiff Class And Fieldale Farms Corporation And Conditionally Certifying The Proposed Settlement Class (ECF No. 462), hereby directs notice to be distributed to the Settlement Class Members pursuant to Federal Rule of Civil Procedure ("Rule") 23(c)(2).

2. The proposed notice plan set forth in the Motion and the supporting declarations comply with Rule 23(c)(2)(B) and due process as it constitutes the best notice that is practicable under the circumstances, including individual notice vial mail and email to all members who can be identified through reasonable effort. The direct mail and email notice will be supported by reasonable publication notice to reach class members who could not be individually identified.

3. The attached proposed notice documents: Summary Publication Notice (Exhibit A), Email Notice (Exhibit B), and Long Form Notice (Exhibit C), and their manner of transmission, comply with Rule 23(c)(2)(B) and due process because the notices and forms are reasonably calculated to adequately apprise class members of (i) the nature of the action; (ii) the definition of the class certified; (iii) the class claims, issues, or defenses; (iv) that a class member may enter an appearance through an attorney if the member so desires; (v) that the court will exclude from the class any member who requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on members under Rule 23(c)(3). Non-substantive changes, such as typographical errors, can be made to the notice documents by agreement of the parties without leave of the Court.

4. The Court hereby sets the below schedule for the dissemination of notice to the class and for the Court's Fairness Hearing, at which time the Court will determine whether the Settlement Agreement should be finally approved as fair, reasonable, and adequate. This Court

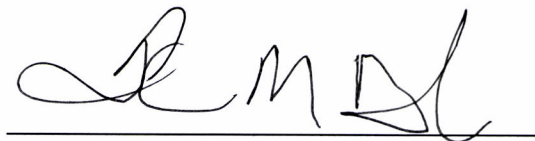

may order the Fairness Hearing to be postponed, adjourned, or continued. If that occurs, the updated hearing date shall be posted on the Settlement Website but other than the website posting the Parties will not be required to provide any additional notice to Class Members.

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS

**If you purchased Broiler chicken directly from a Broiler Chicken Producer for use or delivery in the United States from January 1, 2008 through August 18, 2017, a class action settlement may affect your rights.**

*A federal court authorized this notice. This is not a solicitation from a lawyer.*

- A settlement has been reached in a class action antitrust lawsuit filed on behalf of Direct Purchaser Plaintiffs (“Plaintiffs”) with Defendant Fieldale Farms Corporation (“Fieldale Farms” or “Settling Defendant”). This Settlement only applies to Fieldale Farms and does not dismiss claims against other Defendants in the case entitled *In re Broiler Chicken Antitrust Litigation*, N.D. Ill. Case No. 1:16-cv-08637.
- The Court has not decided whether Fieldale Farms did anything wrong, and Fieldale Farms denies any wrongdoing.
- If approved by the Court, the Settlement will resolve a lawsuit over whether Fieldale Farms combined and conspired in restraint of trade, the purpose and effect of which was to suppress competition and to allow Fieldale Farms and other Broiler chicken producers to charge supra-competitive prices for Broilers during the Class Period, in violation of federal law. If approved, the Settlement will avoid litigation costs and risks to Direct Purchaser Plaintiffs and Fieldale Farms, and will release Fieldale Farms from liability to the class of Direct Purchaser Plaintiffs.
- The Settlement requires Fieldale Farms to pay \$2,250,000. In addition to this monetary payment, Fieldale Farms has agreed to cooperate in good faith with Direct Purchaser Plaintiffs in the ongoing litigation against the non-settling Defendants, including producing documents and other relevant information.
- Your legal rights are affected whether you act or don’t act. Please read this notice carefully.

## BASIC INFORMATION

### 1. Why did I receive a notice?

All Defendants including Fieldale Farms produce Broiler chicken. Defendants' records show that you may have purchased Broiler chicken products directly from one or more of the Defendants for use and delivery in the United States between January 1, 2008 and August 18, 2017. The list of Defendants is in Section 2 below. The Court authorized this notice because you have a right to know about the proposed settlement of certain claims against Fieldale in this class action lawsuit and about your options before the Court decides whether to approve the class action settlement between Defendant Fieldale Farms and Direct Purchaser Plaintiffs ("Settlement"). If the Court approves it, and after objections and appeals are resolved, you will be bound by the judgment and terms of the Settlement. This notice explains the lawsuit, the Settlement, and your legal rights.

### 2. What is this lawsuit about?

This class action is called *In re Broiler Chicken Antitrust Litigation*, N.D. Ill. Case No. 1:16-cv-08637 and is pending in the United States District Court for the Northern District of Illinois. U.S. District Court Judge Thomas M. Durkin is in charge of this class action.

Direct Purchaser Plaintiffs allege that Defendants and their co-conspirators conspired and combined to fix, raise, maintain, and stabilize the price of Broilers, beginning at least as early as January 2008, and that their principal method for doing this was to coordinate their output and limit production, with the intent and expected result of increasing prices of Broilers in the United States, in violation of federal antitrust laws.

The Defendants and co-conspirators named in Direct Purchaser Plaintiffs' Second Consolidated Amended Complaint are producers of Broiler chicken and Broiler chicken products in the United States. The Defendants are: Fieldale Farms; Koch Foods, Inc.; JCG Foods of Alabama, LLC; JCG Foods of Georgia, LLC; Koch Meat Co., Inc.; Tyson Foods, Inc.; Tyson Chicken, Inc.; Tyson Breeders, Inc.; Tyson Poultry, Inc.; Pilgrim's Pride Corporation; Perdue Farms, Inc.; Perdue Foods LLC; Sanderson Farms, Inc.; Wayne Farms, LLC; Mountaire Farms, Inc.; Mountaire Farms, LLC; Mountaire Farms of Delaware, Inc.; Peco Foods, Inc.; Foster Farms, LLC; House of Raeford Farms, Inc.; Simmons Foods, Inc.; George's, Inc.; George's Farms, Inc.; O.K. Foods, Inc.; O.K. Farms, Inc.; O.K. Industries, Inc.; Claxton Poultry Farms, Inc.; Norman W. Fries, Inc.; Harrison Poultry, Inc.; Mar-Jac Poultry, Inc.; Mar-Jac Poultry MS, LLC; Mar-Jac Poultry AL, LLC; Mar-Jac AL/MS, Inc.; Mar-Jac Poultry, LLC; Mar-Jac Holdings, LLC; and their related entities.

Direct Purchaser Plaintiffs have reached a proposed settlement with one Defendant, Fieldale Farms, but the Direct Purchasers' case is proceeding against all other Defendants. If applicable, you will receive a separate notice regarding the progress of the litigation and any resolution of claims against other Defendants.

Settling Defendant Fieldale Farms vigorously and affirmatively denies all allegations of wrongdoing in this lawsuit and would allege numerous defenses to Plaintiffs' claims if the case against it were to proceed. Despite its belief that it is not liable for, and has strong defenses to, the Claims asserted by the Direct Purchaser Plaintiffs, Fieldale agreed to settle this action to avoid the further expense, inconvenience, disruption, and burden of this litigation and any other present or future litigation arising out of the facts that gave rise to this litigation, to avoid the risks inherent in uncertain complex litigation and trial, and thereby to put to rest this controversy.

### **3. What is a class action, and who is involved?**

In a class action lawsuit, one or more people or businesses called class representatives sue on behalf of others who have similar claims, all of whom together are a "class." Individual class members do not have to file a lawsuit to participate in the class action Settlement, or be bound by the judgment in the class action. One court resolves the issues for everyone in the class, except for those who exclude themselves from the class.

### **4. Why is there a settlement?**

The Court did not decide in favor of Direct Purchaser Plaintiffs or Fieldale Farms. Direct Purchaser Plaintiffs believe they may have won at trial and possibly obtained a greater recovery. Fieldale Farms believes the Direct Purchaser Plaintiffs may not have won at a trial. But trials involve risks to both sides, and therefore Direct Purchaser Plaintiffs and Fieldale Farms have agreed to a settlement. The Settlement requires Fieldale Farms to pay money, as well as cooperate with Direct Purchaser Plaintiffs. This cooperation includes producing relevant documents, making current or former employees available for interviews and depositions, and providing a description of certain facts known to Fieldale that the Direct Purchaser Plaintiffs contend are relevant to the conduct at issue in the litigation. Direct Purchaser Plaintiffs and their attorneys believe the Settlement is in the best interests of all Class Members.

### **5. What if you received previous communications regarding this lawsuit?**

You may have received other communications regarding this lawsuit, including solicitations by other attorneys seeking to represent you as a Direct Action Plaintiff in an individual lawsuit against Defendants. These communications were not approved by the Court and did not come from Court-appointed Plaintiffs' Class Counsel. You should carefully review this notice and your rights as a Class Member before deciding whether to opt out or stay in the Class. If you have questions about this litigation and your rights as a Class Member, please contact Co-Lead Class Counsel whose contact information is listed in question 15 below.

## WHO IS IN THE CLASS

### 6. Am I part of the Class?

The Court decided that, for settlement purposes, Class Members are defined as:

All persons (including businesses and companies) who purchased Broilers directly from any of the Defendants or any co-conspirator identified in this notice, or their respective subsidiaries or affiliates, for use or delivery in the United States from at least as early as January 1, 2008 until August 18, 2017.

If you satisfy these criteria, then you are a Class Member, subject to the exception listed in Section 7 below.

While this Settlement is only with Fieldale Farms, the Class includes persons (including businesses and companies) who purchased Broiler chicken from *any* of the Defendants or their co-conspirators. If you are a Class Member and do not exclude yourself, you may be eligible to participate in any additional settlements which may arise with any other Defendants in the case.

### 7. Are there exceptions to being included?

Yes. Specifically excluded from this Class are the Defendants, the officers, directors or employees of any Defendant; any entity in which any Defendant has a controlling interest; and any affiliate, legal representative, heir, or assign of any Defendant. Also excluded from this Class are any federal, state, or local governmental entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, any juror assigned to this action, and any co-conspirator.

If you are in one of these categories, you are not a Class Member and not eligible to participate in the Settlement.

### 8. I'm still not sure if I'm included.

If you are still not sure if you are included, please review the detailed information contained in the Settlement Agreement, available for download at [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com). You may also call the Settlement Administrator at 1-866-552-1178 or call or write to Co-Lead Counsel at the phone numbers or addresses listed in question 15 below.

## THE FIELDALE SETTLEMENT BENEFITS

### 9. What does the Fieldale Settlement provide?

If the Settlement is approved, Fieldale Farms will pay \$2,250,000 to resolve all Direct Purchaser Class Members' claims against it in this litigation against Fieldale Farms. In addition to this monetary benefit, Fieldale Farms has also agreed to cooperate in good faith with Direct Purchaser Plaintiffs in the litigation against the other Defendants. This cooperation includes producing relevant documents; making current or former employees available for interviews and depositions; and providing a description of the principal facts known to Fieldale Farms that are relevant to the litigation.

### 10. What are the Fieldale Settlement benefits being used for?

A portion of the Settlement proceeds are being used for the administration of the Notice by the Settlement Administrator. The remainder of the Settlement proceeds will remain available for any future notice, distribution to Class Members, or attorneys' fees, litigation expenses, and incentive awards to Plaintiffs and their counsel. At this time, Plaintiffs and their counsel are not seeking any attorneys' fees, non-administration expenses, or incentive awards from the Settlement proceeds. However, they may do so in the future, subject to additional notice to you and approval by the Court. Class Counsel do not intend to distribute any proceeds from the Fieldale Settlement to qualifying Class Members at this time, but instead intend to combine any distribution of the Fieldale Settlement proceeds with proceeds from future settlements or other recoveries in the litigation. You will be provided further notice of any such future settlements or recoveries.

Questions? Call the Settlement Administrator toll-free at 1-866-552-1178 or visit [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com).

### **11. What am I giving up by staying in the Settlement Class?**

Unless you exclude yourself, you are staying in the Settlement Class, which means that you can't sue, continue to sue, or be part of any other lawsuit against Fieldale Farms that pertains to the same legal issues in *this* case. It also means that all of the Court's orders will apply to you and legally bind you. The Released Claims are detailed in the Settlement Agreement, available at [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com).

You are not releasing your claims against any Defendant other than Fieldale Farms by staying in the lawsuit.

### **12. What happens if I do nothing at all?**

If you do nothing, you will remain a member of the Settlement Class, and participate in this settlement and any future settlements or judgments obtained by Direct Purchaser Plaintiffs.

## **EXCLUDING YOURSELF FROM THE SETTLEMENT**

### **13. How do I exclude myself from the Fieldale Settlement?**

If you do not want the benefits offered by the Fieldale Settlement and you do not want to be legally bound by the terms of the Settlement, or if you wish to pursue your own separate lawsuit against Fieldale, you must exclude yourself by submitting a written request to the Settlement Administrator stating your intent to exclude yourself from the Settlement Class. Your Exclusion Request must include the following: (a) your name, including the name of your business which purchased Broiler chicken, and address; (b) a statement that you want to be excluded from the Settlement Class in *In re: Broiler Chicken Antitrust Litigation*; and (c) your signature. You must mail or email your Exclusion Request, postmarked or received by October 15, 2018, to: Broiler Chicken Antitrust Litigation, c/o JND Legal Administration, PO Box 91343, Seattle, WA 98111 or [info@broilerchickenantitrustlitigation.com](mailto:info@broilerchickenantitrustlitigation.com).

### **14. If I don't exclude myself, can I sue Fieldale Farms for the same thing later?**

No. Unless you exclude yourself, you give up the right to sue Fieldale Farms for the same claims that the Settlement resolves. If you have a pending lawsuit against Fieldale Farms, speak to your lawyer in that lawsuit immediately to determine whether you must exclude yourself from this Settlement Class to continue your own lawsuit against Fieldale Farms.

By staying in the lawsuit you are not releasing your claims in this case against any Defendant other than Fieldale Farms.

## **OBJECTING TO THE SETTLEMENT**

### **15. How do I tell the Court that I don't like the Settlement?**

If you are a Class Member and have not excluded yourself from the Settlement, you can object to the Settlement if you don't like part or all of it. The Court will consider your views.

To object, you must send a letter or other written statement saying that you object to the Direct Purchaser Plaintiffs' Settlement with Fieldale Farms in *In re: Broiler Chicken Antitrust Litigation* and the reasons why you object to the Settlement. Be sure to include your full name, the name of your business which purchased Broiler chicken, current mailing address, and email address. Your objection must be signed. You may include or attach any documents that you would like the Court to consider. Do not send your written objection to the Court or the judge. Instead, mail the objection to the Settlement Administrator, Co-Lead Counsel, and Counsel for Settling Defendant at the addresses listed below. Your objection must be postmarked no later than October 15, 2018.

#### **16. What is the difference between excluding myself and objecting?**

Objecting is telling the Court that you do not like something about the Settlement. You can object only if you do not exclude yourself from the Class. Excluding yourself is telling the Court that you do not want to be part of the Class or the lawsuit. If you exclude yourself, you have no standing to object because the case no longer affects you.

### **THE LAWYERS REPRESENTING YOU**

#### **17. Do I have a lawyer in this case?**

The Court has appointed W. Joseph Bruckner of Lockridge Grindal Nauen P.L.L.P. and Bruce L. Simon of Pearson, Simon & Warshaw, LLP as Co-Lead Counsel on behalf of Direct Purchaser Plaintiffs and Class Members. Their contact information is provided above in question 15.

If you wish to remain a Class Member, you do not need to hire your own lawyer because Co-Lead Counsel is working on your behalf.

If you wish to pursue your own case separate from this one, or if you exclude yourself from the Settlement Class, these lawyers will no longer represent you. You will need to hire your own lawyer if you wish to pursue your own lawsuit against Fieldale.

#### **18. How will the lawyers be paid?**

At this time, Co-Lead Counsel are not asking the Court to award any attorneys' fees from the Settlement with Fieldale Farms. In the future, Co-Lead Counsel may ask the Court to award attorneys' fees and reimbursement of reasonable and necessary litigation expenses from the Fieldale Settlement or any other settlement or other recovery in this litigation. At such time, and prior to any Court approval, Class Members will be provided with notice of the amount of fees or expenses sought by Class Counsel and the opportunity to be heard by the Court. You will not have to pay any fees or costs out-of-pocket.

### **THE COURT'S FAIRNESS HEARING**

#### **19. When and where will the Court decide whether to approve the Settlement?**

The Court will hold a hearing to decide whether to approve the Settlement. You may attend and you may ask to speak, but you don't have to. The Court will hold a Fairness Hearing at 9:00 a.m. on November 13, 2018, at the United States District Court for the Northern District of Illinois, Dirksen Federal Building, 219 South Dearborn Street, Chicago, Illinois in Courtroom 1441. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will listen to people who have asked to speak at the hearing. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

#### **20. Do I have to come to the hearing?**

No. Co-Lead Counsel will answer any questions the Court may have. However, you are welcome to come at your own expense. If you send an objection, you do not have to come to court to talk about it. As long as you mailed your

written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

#### **21. May I speak at the hearing?**

You may ask to speak at the Fairness Hearing. To do so, you must send a letter saying that it is your "Notice of Intention to Appear in *In re: Broiler Chicken Antitrust Litigation*." Be sure to include your name, including the name of your business which purchased Broiler chicken, current mailing address, telephone number, and signature. Your Notice of Intention to Appear must be postmarked no later than October 15, 2018, and it must be sent to the Clerk of the Court, Co-Lead Counsel, and Defense Counsel. The address for the Clerk of the Court is: Dirksen Federal Building, 219 South Dearborn Street, Chicago, Illinois. The addresses for Co-Lead Counsel and Defense Counsel are provided in Question 15. You cannot ask to speak at the hearing if you excluded yourself from the Fieldale Settlement.

**COURT-APPROVED LEGAL NOTICE**

**If you purchased Broiler chicken directly from a Broiler Chicken Producer for use or delivery in the United States from January 1, 2008 through August 18, 2017, a class action settlement may affect your rights.**

*Para una notificacion en español, llame gratis al 1-866-552-1178  
o visite nuestro website [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com).*

A settlement has been proposed between Direct Purchaser Plaintiffs and Fieldale Farms Corporation in a class action antitrust lawsuit about Broiler chickens sold in the United States between January 1, 2008 and August 18, 2017. This Court-ordered notice may affect your rights. Please review and follow the instructions carefully.

The United States District Court for the Northern District of Illinois authorized this notice. Before any money is paid, the Court will hold a hearing to decide whether to approve the Settlement.

**WHO IS INCLUDED?**

For settlement purposes, Class Members are defined as all persons (including businesses and companies) who purchased Broilers directly from any of the Defendants or any co-conspirator identified in this action, or their respective subsidiaries or affiliates, for use or delivery in the United States from at least as early as January 1, 2008 until August 18, 2017. If you are not sure you are included, you can get more information, including a detailed notice, at [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com) or by calling toll-free 1-866-552-1178.

Specifically excluded from the Class are the Defendants; the officers, directors, or employees of any Defendant; any entity in which any Defendant has a controlling interest; and any affiliate, legal representative, heir, or assign of any Defendant. Also excluded from the Class are any federal, state, or local governmental entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, any juror assigned to this action, and any co-conspirator identified in this action.

**WHAT IS THIS ABOUT?**

The lawsuit claims that Broiler chicken producers including Fieldale Farms combined and conspired in restraint of trade, the purpose and effect of which was to suppress competition and allow them to charge supra-competitive prices for Broilers during the Class Period, in violation of federal law. Fieldale Farms vigorously and affirmatively denies it did anything wrong, and denies that it in any way conspired with competitors to restrain trade or suppressed competition to charge supra-competitive prices. The Court did not decide which side was right, but both sides agreed to the Settlement to resolve the case. The case is still proceeding on behalf of the Direct Purchaser Plaintiffs against all other Defendants.

**WHAT DOES THE SETTLEMENT PROVIDE?**

Fieldale Farms will pay \$2,250,000 as a monetary payment. In addition to this monetary benefit, as part of the Settlement Agreement Fieldale Farms has also agreed to cooperate in good faith with Direct Purchaser Plaintiffs and Settlement Class Counsel in regard to the ongoing litigation against the non-settling Defendants. This cooperation includes producing relevant documents, making current or former employees available for interviews and depositions, and providing a description of certain facts known to Fieldale that the Direct Purchaser Plaintiffs contend are relevant to the conduct at issue in the litigation. Class Counsel are not seeking to recover attorneys' fees and do not plan for distribution of settlement proceeds to the Class Members at this time, but may do so at a future date subject to further notice.

**WHAT ARE YOUR RIGHTS AND OPTIONS?**

You do not need to take any action to remain a Class Member and be bound by the Settlement. As a Class Member, you may be able to participate in any future settlement or judgment obtained by Direct Purchaser Plaintiffs against other Defendants in the case. If you don't want to be legally bound by the Settlement, you must exclude yourself by October 15, 2018 or you won't be able to sue or continue to sue Fieldale Farms about the legal claims in this case. If you exclude yourself, you can't get money from the Settlement. If you stay in the Settlement, you may object to it by October 15, 2018. The detailed notice explains how to exclude yourself or object. Details may also be found on the FAQs page of the settlement website. The Court will hold a hearing in this case (*In re: Broiler Chicken Antitrust Litigation*, Case No. 16-cv-08637) on November 13, 2018 at 9:00 a.m. to consider whether to approve the Settlement. You may ask to speak at the hearing, but you don't have to.

**This notice is only a summary. You can find more details about the Settlement at [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com) or by calling toll-free 1-866-552-1178. Please do not contact the Court.**

The United States District Court for the Northern District of Illinois authorized this notice. Before any money is paid, the Court will hold a hearing to decide whether to approve the Settlement.

**WHO IS INCLUDED?**

For settlement purposes, Class Members are defined as all persons (including businesses and companies) who purchased Broilers directly from any of the Defendants or any co-conspirator identified in this action, or their respective subsidiaries or affiliates, for use or delivery in the United States from at least as early as January 1, 2008 until August 18, 2017. If you are not sure you are included, you can get more information, including a detailed notice, at [www.broilerchickenantitrustlitigation.com](http://www.broilerchickenantitrustlitigation.com) or by calling toll-free 1-866-552-1178.

Specifically excluded from the Class are the Defendants; the officers, directors, or employees of any Defendant; any entity in which any Defendant has a controlling interest; and any affiliate, legal representative, heir, or assign of any Defendant. Also excluded from the Class are any federal, state, or local governmental entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, any juror assigned to this action, and any co-conspirator identified in this action.

**WHAT IS THIS ABOUT?**

The lawsuit claims that Broiler chicken producers including Fieldale Farms combined and conspired in restraint of trade, the purpose and effect of which was to suppress competition and allow them to charge supra-competitive prices for Broilers during the Class Period, in violation of federal law. Fieldale Farms vigorously and affirmatively denies it did anything wrong, and denies that it in any way conspired with competitors to restrain trade or suppressed competition to charge supra-competitive prices. The Court did not decide which side was right, but both sides agreed to the Settlement to resolve the case and get benefits to the Class. The case is still proceeding on behalf of the Direct Purchaser Plaintiffs against all other Defendants.

**WHAT DOES THE SETTLEMENT PROVIDE?**

Fieldale Farms will pay \$2,250,000 as a monetary payment. In addition to this monetary benefit, as part of the Settlement Agreement Fieldale Farms has also agreed to cooperate in good faith with Direct Purchaser Plaintiffs and Settlement Class Counsel in regard to the ongoing litigation against the non-settling Defendants. This cooperation includes producing relevant documents, making current or former employees available for interviews and depositions, and providing a description of certain facts known to Fieldale that the Direct Purchaser Plaintiffs contend are relevant to the conduct at issue in the litigation. Class Counsel are not seeking to recover attorneys' fees and do not plan for distribution of settlement proceeds to the Class Members at this time, but may do so at a future date subject to further notice.

**WHAT ARE YOUR RIGHTS AND OPTIONS?**

You do not need to take any action to remain a Class Member and be bound by the Settlement. As a Class Member, you

may be able to participate in any future settlement or judgment obtained by Direct Purchaser Plaintiffs against other Defendants in the case. If you don't want to be legally bound by the Settlement, you must exclude yourself by October 15, 2018, or you won't be able to sue or continue to sue Fieldale Farms about the legal claims in this case. If you exclude yourself, you can't get money from the Settlement. If you stay in the Settlement, you may object to it by October 15, 2018. The detailed notice explains how to exclude yourself or object. Details may also be found on the FAQs page of the settlement website. The Court will hold a hearing in this case (*In re: Broiler Chicken Antitrust Litigation*, Case No. 16-cv-08637) on November 13, 2018 at 9:00 a.m. to consider whether to approve the Settlement. You may ask to speak at the hearing, but you don't have to.
